Subject: Action Needed: Comments on National Remedy Review Board Potential Changes

Dear Regional Superfund Division Directors, Deputies, and Remedial Branch Chiefs,

Attached is set of preliminary recommendations for changes to the National Remedy Review Board by OSRTI. These recommendations are based on the results of the Regional survey conducted by Region 2 (also attached) and were discussed during the Spring VTC for the Superfund Division Directors.

OSRTI is looking for comments on the recommendations and suggestions regarding the National Remedy Review Board.

Please send me Regional input by COB, Wednesday, March 20, 2013.

Regional comments and suggestions are likely to be a topic for discussion on the March 26, 2013, Superfund Division Directors' Monthly Call.

Respectfully,

Imp
